

Your love

Verse 1

You endured life's atrocities
You paid the price for us
With all your sacrifices and all the suffering
Sorrow and pain is all we give you
(×2)

Chorus

Your love embrace the entire world
Your mercy flows without end
Your love enlightens all the hearts
and chase away the darkness (×2)

Verse 2

Omonim, don't you worry
You always fought for us
But now we are many children attending you
Together we will overcome

Chorus

Your love embrace the entire world
Your mercy flows without end
Your love enlightens all the hearts
and chase away the darkness (×2)

(Spoken word)

Holy mother Han, we support you
We, the pure waters are standing before you
Ready to offer our lives to you
Together we will fulfill Heavenly Parent's dream
Champungonim saranghamnida
Cham omonim kamsahamnida

Chorus

Your love embrace the entire world
Your mercy flows without end
Your love enlightens all the hearts
and chase away the darkness (×2)
